

MAEE COURSE CHECKLIST
Master of Agricultural and Environmental Education Course Checklist
Effective Fall 2021

MAEE consists of 36 hours and is designed for student flexibility in selecting course work. Courses are selected with approval from graduate committee. Students completing thesis option work with graduate committee to develop a research thesis document. Students selecting non-thesis option work with graduate committee to schedule a final examination. Students may not take more than 6 hours of special problems, internships, directed study, or field experience toward the degree. Cumulative GPA must be 3.0 or higher. Grades D and F will not be accepted as part of a program of study for a graduate degree.
